

Open Water Committee Description

Embody the mission of New Jersey Swimming

“Advancing competitive swimming in New Jersey through fair and inclusive opportunities.”

The Open Water Coordinator will chair the Open Water Committee, elected by the committee members.

Specific duties of the Club Development Committee are as follows, but not limited to:

- Promote open water and distance swimming within MDSI
- Work with NJS Group Members to host open water meets conducted within New Jersey, and promote the attendance of NJS swimmers to these meets and out-of-NJS open water meets as appropriate
- Monitor USA and Eastern Zone websites for updated information on open water events and inform LSC of upcoming events
- Track meet info and results of distance and open water meets
- Stay abreast of USA Swimming and FINA rule changes for domestic and international competitions
- Attend Eastern Zone Meetings and any other meetings requiring the Open Water Coordinator
- Promote attendance at camps within the LSC, Region, and Zone
- Work with NJS Group Members to host camps to build, promote, and achieve in line with the USA Swimming culture

The Open Water Chair and committee will report to the Senior Division
