

Safe Sport Report  
BOD  
04-22-24

April is Child Abuse Prevention Month - Activities are listed on the USA Swimming website.

*Monthly Safe Sport Trainings:* Trainings can be found under USAS University as well as the virtual monthly offerings that are available to both athletes and parents.

Nation wide there were 24 clubs that became Safe Sport recognized in March.

- **24 CLUBS COMPLETED SAFE SPORT CLUB RECOGNITION IN MARCH FROM 16 DIFFERENT LSC's!**
- 16 of these were renewals.
- 13 clubs had their Safe Sport Recognition expire in March.

**3-MONTH AND 6-MONTH PLANS** – There are now 3-month and 6-month plans for clubs to use to become Safe Sport Recognized in those timeframes. This is a soft launch with a more public launch towards the summer of 2024. USA Swimming will be looking for feedback on their effectiveness in helping clubs. Please provide feedback as you use these to help clubs achieve recognition by letting me know what works and what can be improved.
