

NJ Board of Directors – Age Group Vice Chair Report

12/18/2023

Age Group Committee- Nothing to report.

Tech Planning Committee

If you are hosting one of our SCY championship meets, please get your meet announcements in to Kip for sanctioning prior to the end of December. I am in the process of creating Meet Manager Files.

Tech Planning voted on changing the format of the LCM silver/bronze meets so that 12&Us swim at Princeton and 13&Os swim at Rutgers. The schedule will remain the same as the past few seasons.

Gold cuts for 2024 LCM are complete. Silver cuts will be done soon.

Additional Discussion from the meeting:

- NJ Swim should consider investing in live-streaming service at Rutgers and removing spectators to allow more swimmers at our championship meets.
- Possibility of hosting an NJSwim All-Star meet

Next tech planning meeting TBD

Adaptive/Disability Committee- Nothing to report.

Operational Risk Committee- Nothing to report.
