

NJ Board of Directors – Junior Coaches’ Rep Report

10/16/2023

- I attended the Eastern Zone spring meet - coalition meeting on Tuesday Oct. 3. Representatives from Niagara, Potomac Valley, Adirondack and myself were in the zoom meeting. We discussed ideas going forward with the spring short course zone meet. Marci Callan the meet director was in attendance. We will meet again in early November where Marci will bring exact numbers of swimmers, coaches official for both the all-star meet format pre-covid and invitational the past 3 years.
- Sandra and Jon met this past weekend to discuss sending out an email to all registered NJ coaches. Content will be introductions and also a questionnaire. Items in the questionnaire to be determined. One will be NJ coaches ideas for the spring zone meeting.
- We also will be posting items on the NJ coaches facebook page.
- Future planning of regular monthly or bi-monthly NJ coaches zoom forums.
- We are looking forward to working together with the board and hearing from NJ coaches as to their needs.
