

NJ House of Delegate – Finance Chair Report

05/20/2024

Finance Committee

Budget Planning for 2024-25 Completed a draft budget. We received a request for budgeting for 2025 Short Course Zones of \$15K. We do not want to budget for the possible All Star format until we are positive that it is happening.

Outreach— We would like to budget for outreach money to pay for championship meets.

Respectfully submitted,

Edward Dellert, Finance Vice Chair
