

NJ House of Delegates – DEI Chair Report  
05/20/2024

---

- We push the DEI swim showcase swim meet to spring 2025. This will allow more Eme to plan the event. This event would be an annual event, every spring. This 1<sup>st</sup> year Metro will host, and the host will alternate every year.
- An Annual LSC Select camp for athletes is an event we would like to host, starting in 2026.
- We also would bring back the swim meet fee reimbursement program. This would be for outreach swimmers, at the LSC championship level meet or higher.
